

Staff Members Name: Mr. Karst

Office Hours: 9-11:00 a.m. 1-3:00 p.m.

Contact Info: dan.karst@k12.sd.us or 605-698-7613 HS extension

Course: Freshman Health

Weekly Assignments: Students will write a short review of articles on the web. The topics will be listed below. The student may choose. Complete sentences and punctuation are expected. It will address the Who, What, When, Where, Why and How. It will include the student's conclusion of the article. The name and web address of the article must be included. The student may use any school approved website, such as www.cnn.com, www.foxnews.com, www.usatoday.com, www.msnbc.com, www.wearethemighty.com, www.newser.com, www.yahoo.com, www.cbsnews.com, etc. The websites do work on your phones and have free apps if you so choose. Once the Word Document of the article is completed it will be emailed to me at the above address.

The week of **April 27 – May 1** the topic is "5 benefits of an active lifestyle". If you have questions, contact me.
