Phone Number: 605-742-2144

Office hours: 9-11 a.m. and 1-3 p.m.

Activities for the Week of May 4th – May 8th:

Activity #1: Login to Infinite Campus and check on your 4th quarter grade. Check to see if you have any missing work. This week is your opportunity to complete and submit anything that you may have missed over the past 6 weeks of Distance Learning. Submit all missing work either via Google Classroom or Email by Friday, May 8th.

Activity #2: Are there any recipes from our labs 1st, 2nd or 3rd Qtr. that you would like to have a copy of? If so, send me an email telling me which ones you would like. I will be glad to email those out to you.

Activity #3: Respond to the "Question of the Day" (QOD) that will be posted on the "Stream" page of Google Classroom each day this week. I know some of you have been missing that part of our daily routine in the classroom, so I thought we should end the year with it! 😊
