Sisseton School District Parents and Guardians,

The Sisseton School District's application for free school breakfast and lunch has been approved by the United States Department of Agriculture (USDA). The school district will provide free breakfast and lunch for all students enrolled at Westside Elementary, Sisseton Middle School, and Sisseton High School. If your student wishes to purchase extra entrees or milk, this must be paid for with cash at the time of the purchase.

This program will run through the end of the 2020-21 school year. The regular cost of meals will begin again with the start of the 2021-22 school year. Meal charges since October 1, 2020, have been credited back into student food service accounts. This funding will remain in the student food service account for use in the 2021-22 school year.

Students enrolled in Virtual Academy may receive meals beginning on **November 9, 2020**. The Sisseton School District will distribute breakfast and lunch each day that school is in session. Meals will not be available on weekends, holidays, professional development days, or snow days. Please complete the following form (<https://forms.gle/95yexjvaQofwYf327>) at least one day before the requested meal pickup each day you wish to reserve a meal for your child(ren). If able, please complete the meal request form each Friday for the following week. **Meals can only be picked up by the enrolled student or the student's parent/guardian.** Enter the high school building through the Multipurpose room exterior doors (east side of the building between the business office and the high school). Please wear a mask when entering the facility. Meals must be picked up daily between 12:30 p.m. and 1:15 p.m.

Parents and guardians can find updates to this program on the Sisseton School District website: <https://www.sisseton.k12.sd.us>.
