Course: Algebra 2 Honors

Weekly Assignments:

Students will need to access google classroom in one of two ways:

1. Sign into their k12 email address and accept the invite from Algebra 2 Honors.
2. Sign into google classroom using k12 email address and password and accept the invite from Algebra 2 Honors.

Once you do that, you will find the assignments and specific instruction on the first page of Algebra 2 Honors google classroom that pops up. For whatever reason you cannot figure out how to get google classroom to work or you do not have access to internet, a smart phone, or a computer at home please contact me or the high school and I will get the information printed off for you to mail.
