

Mr. Bartlett

*******Make sure you are checking into things on the district site, turning in computers if need be, and everything on your end as we wrap things up. IDK how you all feel, but I am excited for next year to get back in the classroom. I feel like we missed many things that would have been good opportunities to think and learn. Thanks to you that did a good job and challenged yourself, not just copying others. Read a book this summer!

American History Honors:

-I am making progress in getting things graded, you should see that on infinite campus over the next few days. If you look in the grade book and see something missing, go back and do it! I will continue to look back through those assignments. Feel free to email me if you have any questions on your grades. THE DEADLINE FOR YOU TO TURN THINGS IN IS WEDNESDAY, MAY 13. YOUR FINAL GRADES WILL BE POSTED THE FOLLOWING DAY, THURSDAY THE 14TH!
