

Staff Member Name: Nicholas Olson

Office hours: 9-11am and 1-3pm

All contact information:

Nicholas.Olson@k12.sd.us

Phone: 605-742-2169

Course: 6th grade Language Arts

Weekly Assignments:

Reading – Introduction to the book *The Bat Scientist* also, complete the comprehension questions in google classroom.

Vocabulary- do all 12 words in google classroom vocabulary slides

Independent Reading Practice - 15 pages of reading per day

Links to reading:

<http://classroom.google.com>

Google Classroom or other platform using:

Log into google classroom and you will find under the assignments for the week of 4/6-4/10 the PDF of the introduction to the book scanned in. After you have read the introduction I want you to answer the comprehension questions under the assignment for this week. Once you answer all of the questions please select submit and you should get your score immediately.

Vocabulary slides we have all done before in class. There is an example slide at the beginning of the google slides attached to the assignment in google classroom. Students need to make a slide for every vocabulary word in the slideshow. A complete slide consists of the word, the definition, two pictures, and a statement that states: "When I think of _____ it reminds me of _____ because, _____."

Read in your AR book and fill out your reading log.

Details:

Due Date/Time:

Due by Friday at 4pm

Other information:

Your students have used all of these before in our classroom so they will be familiar with how they work.
